Telecommunication Tax Service Information

Read this information first	Page of
You must identify each municipality where you provide telecommunication service. If you provide service to customers you know are not located within a municipality, you may list in Step 3, the county or counties where you provide that service. Refer to RT-8, Telecommunication Tax Rate Reference Manual, to assist you. Your Form REG-9 information allows us to preprint your Forms RT-2, Telecommunications Tax Return and RT-2-M, Telecommunication Tax Schedule (for service providers with customers in multiple municipalities). If you need more space than provided for here, make a copy of Form REG-9 and identify each page in the upper right corner.	
Step 1: Identify your business	
a Business name:	d License no.: T
b DBA:	e Illinois Business Tax number (IBT no.):
